

Your recovery starts here

Welcome to The 1150 Club

The way it works.....

You will receive 24-hour care and nursing support from our expert team where every element is designed to make your recovery seamless. The 1150 Club provides elegance and care. Your days are curated around your recovery with a personalised plan, so you know what to expect every day.

Our clinical promise is central to your recovery. On arrival, a comprehensive assessment ensures all care, clinical and physiotherapy needs are identified, and your medication is reviewed. Our highly skilled nurses provide medication management or support for self-administration, wound care, pain management, daily clinical observations, specialist care and direct liaison with your consultant surgeon. We also provide thorough discharge planning to ensure your safe and confident return home.

Access to our private GP and panel of medical experts can be arranged through our concierge service who is also available to assist with requests, from beauty treatments to sourcing special items from outside the Club. Every detail is attended to so that you can relax, recover, and feel renewed.

Our menus are curated using the finest ingredients, each dish bringing comfort and flavour - whether shared in the company of others or enjoyed in the privacy of your suite,

We are delighted to welcome your guests and request you reserve your table 24 hours in advance. To ensure complete discretion our visiting hours are 8am to 8pm. Please let us know if you're expecting visitors during this time.

We also believe that true recovery is holistic. Weekly wellness sessions are offered to nurture body, mind, and spirit. Designed to accelerate healing, mindfulness and meditation, reduce stress and create calm, complementing physiotherapy-led clinics for practical guidance of safe movements at home. Every aspect of your stay is considered to restore your health, rejuvenate your energy, and renew your sense of self.
